

St. David's Page

*"No matter who you are or where you are on life's journey,
you are welcome at St. David's."*

St. David's Episcopal Church occupies and operates upon the ancestral and traditional lands of the Hopi and Navajo people.

The View from St. David's

Mid-summer greetings to you all!

August is upon us, hopefully we have endured the worst of the heat for this year. How wonderful it has been to actually have a monsoon season! May it continue to rain.

We have just enjoyed our final visit with Bishop Scott and are looking forward to the ordination and consecration of Bishop-Designate Phyllis Spiegel next month. The transition committee sent the following information:

As we in the Episcopal Diocese of Utah prepare to welcome our Bishop-elect, the Rev. Phyllis Spiegel, the Transition Committee invites people from across the diocese to offer gifts in support of her ministry. It is the Episcopal Church's tradition to contribute towards a bishop-elect's vestments and other symbols of the Office of Bishop such as stoles, cloaks, mitre, crosier, ring, pectoral cross and other liturgical items. So that our new bishop may prioritize her most needed items, monetary gifts would be most appreciated. All monetary donations received will be added to a larger diocesan fund for gifts. You may contribute by credit card or check.

Online by credit card: <https://eccu.wufoo.com/forms/z13g0w5w0xksdh7/>

Gifts by check should be payable to The Episcopal Diocese of Utah and noted on the memo line 'bishop gift.'

St. David's has sent a contribution toward the above items. In addition, we are gathering a few hiking guide items as a more personalized gift from us.

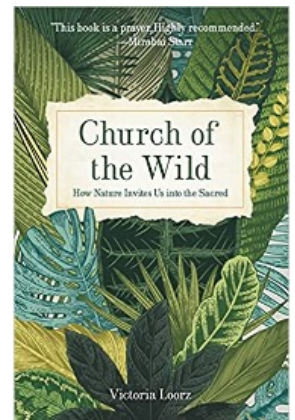

Looking forward a bit more, we are planning a book study / discussion for October. We will be reading *Church of the Wild* by Victoria Loorz.

Discussions will take place on Wednesday evenings starting Oct. 5th at 6:30 pm. We'll have snacks and conversation. The plan is to complete the book by the end of the month.

In Christ's love,

Kathalin

Creation Corner

The care that we give to God's creation is a year round job that can sometimes feel overwhelming in the vast need we see. Every little thing that we do, however, does have an effect for good.

This is the place that I am asking you to share the little steps that you take to care for the earth. Hopefully, someone else will see something here and recognize it as a step they could also take. In that way the pebble tossed into the pond makes ripples that move far beyond the point of original impact.

Please email me with the ways you care for creation so that I can share them here each month.

Interior Secretary Deb Haaland has announced that single-use plastics will be no longer sold in all national parks and public lands by 2032.¹

The phase-out will stop plastic pollution from damaging our national treasures and the animals that call them home. Plastic bottles, food containers, straws, cups, cutlery and bags will no longer threaten wildlife in the places they should be kept most safe.

With this new announcement, the National Park Service will drastically reduce their nearly 70 million pounds of annual waste and stop nature-lovers from contributing to the plastic crisis.

Circle of Page

St. David's provides the all of the utilities and facilities out of which the Circle of Page operates the "Healthy Meals" Soup Kitchen, the "Come to the Banquet" food pantry, and the Financial Help desk, as well as the Salvation Army financial assistance program.

While food distribution happens at specific hours each week, volunteers are also needed at many different times during the week: to pick up food from Safeway and Wal-Mart; to prepare for distributions; for cooking and distribution at the Soup Kitchen. Volunteers provide in excess of 450 hours of service each month.
